Asyraf**

{ 23 }

WEB DEVELOPER / DESIGNER

## PROFILE

I'm a front-end developer and designer. As my dream is to become a full stack and game developer, I am keen to gain more experience and willing to learn anything related in this IT field. For this reason, I am looking for a company willing to offer me a placement among their developers. In return, I would offer my full commitment, and be a pleasant as well friendly addition to your team.
